Calendar of Events at the Parliamentary Pavilion

30 November - 12 December 2023

Pavilion location: Parliamentary Pavilion (GLOBE International)
Zone B7 Bldg 88 (2nd floor), Blue Zone COP28 Dubai Expo City

GLOBE International is proud to host the first-ever Parliamentary Pavilion at a COP as a service to the global parliamentary constituency, in our role as the UNFCCC Focal Point for parliamentarians.

Our Pavilion motto for COP28 is “Parliaments Make COPs Count.”

For the first time, the world’s parliamentarians will have a designated hub to meet each other, exchange ideas, deliberate and learn from other stakeholders. Importantly, they will be able to forge alliances to raise ambition at COP28, collaborate to accelerate implementation of COP decisions, and work to ensure accountability for domestic action through national parliaments.

#Accountability begins with parliaments.

Working in partnership with the world’s leading parliamentary networks and organisations, we are proud to present an exciting two-week programme of events, including a special [Rest Day Excursion for Parliamentarians](#) on Thursday 7 December.

Pavilion sessions will be live-streamed on the [GLOBE International YouTube channel](#):
