## COP29 Parliamentary Calendar

Parliamentary Events @ COP29

**11 - 22 November 2024**

Prepared by:

**GLOBE**  
The Global Legislators Organisation

GLOBE is the  
UNFCCC Focal Point for the  
Informal Parliamentary Group

- GLOBE International is proud to publish the **COP29 Parliamentary Calendar** to coincide with the UNFCCC Conference of Parties taking place in Baku, Azerbaijan, from 11 - 22 November 2024. The calendar is a GLOBE initiative provided as a service to the broader parliamentary constituency in our role as the UNFCCC Focal Point for Parliamentarians.
- We are grateful to cooperation from a wide range of parliamentary networks and organisations, across the political spectrum, who are supporting parliamentary capacity building and engagement in vital ways. We are proud to be working with them, the COP29 Presidency, UNFCCC secretariat, National and Major Group Focal Points, and others in the production of this consolidated calendar.

Published since COP26, this year's **COP29 Parliamentary Calendar** includes events and activities involving parliamentarians both at COP29 as well as beyond in national parliaments. Following our call to encourage parallel events taking place in national and regional parliaments during COP29, we are pleased to include some in this year's exciting two-week programme of events.

The Calendar covers activities across this broader "COP29 parliamentary estate" to include the Blue Zone, Green Zone, hotels and other venues in Baku, as well as beyond in parliaments and other venues across the world.

GLOBE is also hosting the **COP29 Parliamentary Pavilion** in the Blue Zone - with full Livestream facilities - and a separate dedicated **Pavilion Calendar**. We look forward to supporting the parliamentary community's impactful engagement at COP29.
