

COP30 BRASIL AMAZÔNIA BELÉM 2025

COP30 Parliamentary Calendar

Parliamentary Events @ COP30

10 - 21 November, 2025

Prepared by:

GLOBE
The Global Legislators Organisation

GLOBE is the
UNFCCC Focal Point for the
Informal Parliamentary Group

ABOUT THIS CALENDAR

GLOBE Legislators is proud to publish the **COP30 Parliamentary Calendar** to coincide with the **UNFCCC Conference of Parties** taking place in Belem, Brazil, from 10 – 21 November 2025. The calendar is a GLOBE Legislators initiative provided as a service to the broader parliamentary constituency in our role as the UNFCCC Focal Point for Parliamentarians.

We are grateful to cooperation from a wide range of parliamentary networks and organisations, across the political spectrum, who are supporting parliamentary capacity building and engagement in vital ways. We are proud to be working with them, the COP30 Presidency, UNFCCC secretariat, National and Major Group Focal Points, and others in the production of this consolidated calendar.

Published since COP26, this year's **COP30 Parliamentary Calendar** includes events and activities involving parliamentarians both at COP30 as well as beyond in national parliaments. Following our call to encourage parallel events taking place in national and regional parliaments during COP30, we are pleased to include some in this year's two-week programme of events at COP30.

The Calendar covers activities across this broader "COP30 parliamentary estate" to include the Blue Zone, Green Zone, hotels and other venues in Belem, as well as beyond in parliaments and other venues across the world.

JOIN US and help spread the word: **#ParliamentsMakeCOPSCount!**

The calendar and further GLOBE resources for parliamentarians at COP30 can be accessed on the dedicated COP30 pages of our website: <https://globelegislators.org/globecop30-overview/>

NB: The calendar will be updated regularly. Please note the edition date on the cover page!

Keep up with developments from COP30!

Members of Parliament, staff, & parliamentary organisations are invited to join our COP30 WhatsApp broadcast group for regular updates/ or follow on social media.
